

SKIP*HOP®

ZOO CREW™ GO FISH

GO FISH INSTRUCTIONS

For 2-4 players

Be the first player to collect the most sets of 4 matching cards.

SET UP

Shuffle all 48 picture cards. For a two-player game, each player gets 7 cards. For more than two players, deal 5 cards to each. Place the remaining cards face-down in a pile where everyone can reach them. This is your Fish Pond!

Arrange the cards in your hand in groups so all Darby Dogs are together, all Ferguson Foxes, etc. Don't let anyone see your cards!

HOW TO PLAY

The youngest player always goes first, then play continues to the left.

When it's your turn, choose a player to request a card from. It must be a card that you already have in your hand. For example, "Valentina, do you have any Brooklyn Bees?" or "Kamal, do you have any threes?"

If they have that card, they must give you all the cards that match and you get to take another turn.

If they don't have it, they tell you to "GO FISH!" and you take a card from the Fish Pond.

If you "catch" the card you asked for, show it to the other players, place it in your hand and go again! Otherwise, keep the card and your turn is over.

The next player to the left takes their turn.

When a player collects 4 of the same card, they place the cards face-up in front of them. If a player runs out of cards, they draw 1 card from the Fish Pond at the end of their turn.

When the Fish Pond is empty, the game is over. The player with the most sets of cards wins!

WARNING:

CHOKING HAZARD—Small parts.
Not for children under 3 yrs.
